Big Bacc Token (BBT) Whitepaper

Powered by Big Bacc Burger

"Big Flavor. Big Bites. Big Baccs."

---

1. Introduction

Big Bacc Burger isn't just serving burgers — we're serving culture, crypto, and community. The Big Bacc Token (BBT) is the official utility token of Big Bacc Burger — a mobile food franchise based in Atlanta, Georgia, bringing real-world utility to crypto in a flavorful way.

---

2. Mission Statement

We believe food and crypto should both hit different. Big Bacc Token was created to:

- Reward loyal customers

- Power exclusive discounts

- Enable crypto payments for real meals

- Create fun & engaging community experiences

---

3. Token Utility

BBT is designed for everyday people to use effortlessly:

Utility	Description
Pay for Food	Buy burgers, fries, and Trap-Aid with BBT at any Big Bacc location.
Rewards & Loyalty	Earn BBT by participating in promotions & challenges.

Exclusive Access	Token holders get access to merch drops, limited menu items, and VIP events.	
Staking & Incentives	Future staking plans for discounts & free food.	

4. Tokenomics

Allocation	Percentage	Purpose
Presale	40%	Raise funds for trailer, operations, marketing
Liquidity Pool	30%	Ensure tradability & stability on DEX
Marketing/Promotions	15%	Partnerships, influencer campaigns, giveaways
Team & Development	10%	Founder, developers, future staff
Community Rewards	5%	Treasure hunts, airdrops, contests

Total Supply: 100,000,000 BBT
Network: Polygon (MATIC)
Contract: 0x16e7FF7C68Bb0dD0e811A7649BC14c23C4124fcb

5. Roadmap

Phase	Goals
Q2 2025	Presale Launch / Website / Token Listing / ATL Treasure Hunt
Q3 2025	Food Trailer Launch / BBT Payments Live / Staking Development
Q4 2025	Franchise Model Development / Loyalty App Beta Launch
2026	Expand Big Bacc Trailers / Nationwide Partnerships / BBT Ecosystem Growth
